

## Dominguez CIMP Contract Administration

**Request:** The Dominguez Channel Watershed Management Area Group (Dominguez WMA Group) would like to request the South Bay COG serve as the contract administrator for its Coordinated Integrated Monitoring Program (CIMP).

### **Background:**

- The Dominguez WMA Group consists of the Cities of Los Angeles, Lomita, Hawthorne, Inglewood, El Segundo, the County of Los Angeles and the Los Angeles County Flood Control District.
- The City of LA is the lead of the Dominguez WMA Group.
- The City of LA will perform monitoring outlined in the CIMP and may sub out some tasks.
- The estimated annual monitoring cost is about \$500,000.
- The Dominguez WMA Group has interest from numerous Individual General Permittees (IGPs) and the City of Long Beach to cost share monitoring costs.
- So far, interested IGPs:
  - California Sulphur
  - Honeywell
  - Northrup Grumman
  - Tesoro

### **Contracting Methodology:**

- The Contract Administrator enters 2 types of agreement:
  - 1 between Contract Administrator and Dominguez WMA Group
  - Multiple boiler plate agreements between Contract Administrator and IGPs
- Annual Fee of \$12,300 for IGPs.
- The Dominguez WMA Group's cost will be divided by land area.
- The Dominguez WMA Group's share will be reduced depending on number of IGPs to join.
- Monitoring will continue until at least 2032. The Agreement between the Contract Administrator and the Dominguez WMA Group will likely be updated every 5 years.

### **Schedule:**

- Dominguez WMA CIMP submitted June 26, 2014.
- Monitoring to begin 90 days after CIMP approval.
- IGPs need to let Regional Board know if they will join Dominguez WMA Group asap.
- Execute Contract Administrator – Dominguez Channel WMA Group agreement by end of 2014.
