

# Join us at the 16<sup>th</sup> Annual General Assembly

## A View From the Front Porch: Neighborhoods in the South Bay

The conference will focus on neighborhoods – What makes a good neighborhood? What are some of the challenges cities face? What is our vision for the neighborhood of the future? This is a free event for elected officials, city staff, city commissioners, community and business leaders, along with the general public.

Join the conversation now at our Facebook page: <http://on.fb.me/12lo1Sc> and tell us what you like about your South Bay neighborhood.
