

Osvaldo Martinez, MPH

Chief Administrative Officer
Kaiser Permanente South Bay Medical Center

With over 17 years of health care experience, Ozzie Martinez, MPH, serves as Kaiser Permanente South Bay's Chief Administrative Officer (CAO) where he oversees medical group operations for the South Bay Medical Center, as well as medical offices in Harbor City, Carson, Gardena, Lomita, Long Beach, Manhattan Beach, Signal Hill and Torrance.

Ozzie has a proven track record of performance improvement in quality, access to care and service and brings a strong background in innovation, where he champions work to transform Kaiser Permanente's care delivery model. He is also a proud two time recipient of the prestigious Kaiser Permanente James A. Vohs award for quality for his leadership and implementation of the proactive office encounter (POE) and breast cancer from diagnosis to treatment work.
