

# City of El Segundo's Green Business Program

**Save money.  
Be a green leader.  
Increase business.**

**The City of El Segundo  
wants to recognize  
your business for  
BEING GREEN.**

**Join a network of more than 4,000 prominent and  
respected businesses in El Segundo and across  
California taking steps toward sustainability.**

**Recognition**

Your business will appear in our Green Business Directory that will be seen by local consumers.

**Savings**

Green businesses implement practices that lead to cost savings in energy, water and garbage bills.

**Support**

Certification includes free, on-site green technical and financial assistance.

**Join us today**

Make a difference through responsible, sustainable business practices that conserve California's valuable resources.

**Register online at [GreenBusinessCA.org](http://GreenBusinessCA.org)**
