LA City	JW	First engaged with the client in November. Living in an encampment and working with his cousin on a food truck to earn money to support his daughters. His mother, who could no longer drive, gave him her car, and he began sleeping in it. He was later approved for housing through our regular TLS program, but the unit was in SPA 8, which was experiencing staffing shortages. He waited nearly five months before the program was paused. During that time, we supported him with job applications, and he eventually secured a position with the post office. Although the client is still facing significant financial challenges (i.e., school debt and other bills), he has remained consistently compliant and deeply grateful throughout the process. He recently moved into his new apartment and was overcome with emotion. He's still processing the reality of being housed and is incredibly thankful.	2	\$23,435
LA City	JR	Referred to Miranda by Harbor Connects. Connected with Antonio in 10/2024. Has a service dog/cat. Receives SSDI and does uber deliveries to increase his income. This is his very first apartment!	2	\$16,200
Torrance	SS	Receptive to services and works a full-time job as well as a side job. LA City	JL	JL and her son have been working with our program since January 2025 but we have so far been unsuccessful in getting them housed. Ms Lowery is employed, makes enough to cover the rent for an apartment they were approved for, but could use some initial support as they furnish the apartment, etc.	1	\$11,238
LA City	TL	44yo, WLCAC been working with since October, currently in her car (for 1.5 years). She tried to stay with family member but that didn't work out. Was in a bad relationship, no parents. Lots of unforeseen circumstances that resulted in homelessness. Initial plan: 100% July prorated, August-Oct 100%, Nov: client takes over rent. Monthly income is \$3500, will need to furnish apt, car insurance, and has some student loan debt	1	\$23,035
LA City	HB	Client has been incredibly patient and cooperative since meeting client in the Month of April 2025 . He has been working and continue to keep his head held high during tough times . The client has full-time income and wants more in life . The client also stated that everything he do is for his 12 year old daughter who stays with mom , However he is very active in her life and would like to have a place of his own to spend time with his daughter .	2	\$11,855
LA City	GK	Client is currently living in her car with her children and has shown strong motivation to improve her situation . After learning that employment was required for TLS eligibility, she quickly secured a job in home care while continuing to receive CalWORKs benefits. She is responsible, actively working, and committed to getting her family out of homelessness. Her determination and follow-through make her a strong fit for the support and structure offered by the TLS program.	2	\$17,597
LA City	EW	Participant originally relocated from Las Vegas with the intention of living with family, but after that arrangement fell through, he was left without stable housing. As a result, he began drinking and ultimately ended up living in an encampment. Since then, he has shown significant progress. He is now sober, sleeping in a friend's car, and recently started working. His motivation to rebuild his life, secure permanent housing, and maintain employment makes him a strong candidate for the SBCCOG TLS Program, which can provide the structured support he needs to continue moving forward	2	\$13,472
