Makes \$3500-3700 per month. 62 years old, from Carson, wants to also pursue schooling for being a SUD peer counselor (6-7mo program), and the program will help him find employment. Angelo found this unit on his own on 10th street, landlord said he's all approved. Rent around \$1775 and could move in Aug 1. He has a minor knee surgery planned mid August, so he will not be able to work during that period, so we will also cover month 2 at 100%.	3	\$7,100

As a result, he began drinking and ultimately ended up living in an encampment. Since then, he has shown significant progress. He is now sober, sleeping in a friend's car, and recently started working. His motivation to rebuild his life, secure permanent housing, and maintain employment makes him a strong candidate for the SBCCOG TLS Program, which can provide the structured support he needs to continue moving forward	4	\$6,072
LA City	GK	Client is currently living in her car with her children and has shown strong motivation to improve her situation. After learning that employment was required for TLS eligibility, she quickly secured a job in home care while continuing to receive CalWORKs benefits. She is responsible, actively working, and committed to getting her family out of homelessness. Her determination and follow-through make her a strong fit for the support and structure offered by the TLS program.	4	\$7,797

LA City	JL	JL and her son have been working with our program since January 2025 but we have so far been unsuccessful in getting them housed. LA City	JW	First engaged with the client in November. Living in an encampment and working with his cousin on a food truck to earn money to support his daughters. His mother, who could no longer drive, gave him her car, and he began sleeping in it. He was later approved for housing through our regular TLS program, but the unit was in SPA 8, which was experiencing staffing shortages. He waited nearly five months before the program was paused. During that time, we supported him with job applications, and he eventually secured a position with the post office. Although the client is still facing significant financial challenges (i.e., school debt and other bills), he has remained consistently compliant and deeply grateful throughout the process. He recently moved into his new apartment and was overcome with emotion. He's still processing the reality of being housed and is incredibly thankful.	3	\$7,580

Torrance	LW	I wanted to submit a referral who was referred to us by Torrance Unified School District staff. Mother has a thirteen-year-old son she lives with here in Torrance and she receives no child support. Works two jobs, but due to her limited income and some personal hardship, she fell behind on rent recently and received a 3-day notice. Thankfully, the property owner has showed some patience and willingness to work with her as she tries to catch up and pay off the money she owes, but time is ticking. I strongly believe that by helping her pay for the \$1650.00 she owes and providing a minimum of 3 months of rent support, Mother will be able to be in a better position to self-sustain and not get stuck in a pay-back cycle as she is working on obtaining more hours at one of her jobs and/or increasing her income.	1	\$6,750
