

SOUTH COAST AQMD TECHNOLOGY SHOWCASE

**FRIDAY, MARCH 7, 2025
9:30 A.M. TO 12:00 P.M.**

**21865 COPLEY DRIVE
DIAMOND BAR, CA 91765**

**NO REGISTRATION
NEEDED**

Please join South Coast AQMD for an in-person event highlighting the latest advancements in clean air technology. The showcase will feature zero-emission medium/heavy-duty trucks, trailer systems, school buses, law enforcement vehicles, lawn and garden equipment, construction equipment and more.

Attendees will have the opportunity to learn about mobile monitoring labs, air filtration systems, and other innovative technologies designed to improve air quality. Many of these technologies have been developed and demonstrated through various South Coast AQMD grant and incentive programs using leveraged funds through public and private partnerships.
