HOUSING			
AB 1621 (Wilson)	Planning and zoning law: post-entitlement phase permits: Housing Accountability Act. This bill would prohibit local agencies from requiring more than two plan checks for a building permit unless the agency makes written findings based on substantial evidence that additional review is necessary to address a specific adverse impact on public health or safety.	RECOMMEND OPPOSE LCC: OPPOSE UNLESS AMENDED	3/25/26 Re-referred to Assembly Committee on Housing & Community Development.
AB 2002 (Solache)	Local government assistance: Regional Early Action Planning Fund. AB 2741 (Muratsuchi)	Housing element: inventory of land: substantial compliance. This bill would allow for zoning requirements to be met by applying a zoning classification, including but not limited to, an affordable housing overlay zone, that permits owner-occupied and rental multifamily residential use with the minimum density and development standards, as specified. This bill would permit this zoning classification to allow a mix of uses if it meets prescribed	RECOMMEND SUPPORT LCC: PENDING	3/23/26 Re-referred to Assembly Committee on Housing & Community Development

	requirements. Additionally, this bill would require, if a court finds an adopted housing element or amendment to be out of compliance despite HCD's findings of substantial compliance, that the housing element or amendment be considered in substantial compliance until either the date HCD finds that a newly adopted housing element or amendment is in substantial compliance, or 275 days after a court order is issued requiring the local agency to bring its housing element into substantial compliance, whichever is earlier.		
SB 417 (Cabaldon)	The Affordable Housing Bond Act of 2026. This bill would authorize a \$10B bond measure to fund affordable rental housing and home ownership programs for the November 2026 ballot.	RECOMMEND SUPPORT LCC: SUPPORT	1/27/26 In Assembly. Read first time. Held at Desk.
SB 677 (Wiener)	Housing development: transit-oriented development. This bill would limit a local government's ability to impose objective standards on SB 9 projects with 1,750 net habitable square feet in the floor area. It would also eliminate local agencies' ability to provide setback requirements, height limits, lot coverage limits, floor area ratios, or any other standard that would limit development capacity for these projects. Finally, this measure would prohibit local governments from collecting impact fees for projects less than 1,750 square feet.	OPPOSE (3/9/26) LCC: OPPOSE UNLESS AMENDED	1/26/26 In Assembly. Read first time. Held at Desk.
SB 799 (Allen)	Joint powers authorities: South Bay Regional Housing Trust. This bill makes minor revisions to the South Bay Regional Housing Trust formation legislation, most notably the allowance for non-elected alternate board members. Non-elected alternate board members would be limited to serving as the voting delegate from a city to no more than 75% of meetings in a calendar year. Additional amendments are planned that would allow the trust to fund workforce/moderate-income housing programs.	SUPPORT (1/12/26) (letter sent 1/12/26) LCC: MONITOR	1/26/2026 In Assembly. Read first time. Held at Desk. SBCCOG is sponsoring this bill.

RECOMMEND OPPOSE LCC: OPPOSE UNLESS AMENDED	4/2/26 Senate Committees on Local Government and Housing.
SB 1117 (Cervantes)	Accessory dwelling units and junior accessory dwelling units. This bill would further limit local governments' ability to charge impact fees on ADUs with more than 750 sf of interior livable space. AB 1768 (Bryan)	Transactions and use taxes: County of Los Angeles. This bill would prohibit a city/county from maintaining, enforcing, prescribing, or continuing in effect any law, rule, regulation, requirement, standard, or other provision that prohibits an individual or entity that controls an eligible residential dwelling that has been registered from offering that dwelling as a short-term rental during a declared state of emergency or a special event, as applicable. AB 1569 (Davies)	Pupil Safety: electric bicycle parking: safety program. If a city/county has a process for residents to petition	RECOMMEND OPPOSE LCC: OPPOSE	3/23/26 Re-referred to Assembly Committee on Transportation.

	installation of traffic calming measures, the city/county would be prohibited from requiring the petition to have more than a majority of persons whose residences are located within 1,000 feet of the proposed measure. Regarding pedestrian malls, this bill would: exempt them from CEQA through 2040; eliminate property owners' ability to block the project by collecting a majority of signatures representing a majority of the street frontage; eliminate the process for paying damages to affected property owners; prohibit parking facilities from being built as part of a pedestrian mall.

This bill would, except as provided, specify that the total cost of mitigation measures required to address a significant transportation impact as determined by the vehicle miles traveled metric is not to exceed 5% of the estimated total project costs. The bill would specify that mitigation measures to address a significant transportation impact as determined by the vehicle miles traveled metric that exceed the 5% limit are deemed to be economically infeasible for the purposes of CEQA. Because the bill would impose additional duties on a lead agency in its analysis of mitigated measures required to address significant transportation impacts, this bill would impose a state-mandated local program.
